School Experience Days - Oriel High School

Thinking of Teaching, but need some School Experience?

Gaining classroom experience before starting your initial teacher training (ITT) can help you be sure that a career in teaching is right for you. It can also support your application for ITT by spending some time in a classroom and speaking to experienced teachers, school staff and students.

Our programme will give you the experience of a typical day in a secondary school and provide you with the opportunity to talk about teaching to teachers and trainees.

The day will include: A tour of the school, observation of a variety of lessons of the subject(s) of your choice, a chance to meet with senior leaders and teaching staff and an opportunity to ask questions regarding the School Direct programme.

When and where:

Oriel High School, School Experience Days are held in a range of subjects most Wednesdays between 8am-3pm of the school academic year.
