Aim

The staff and Governors of Oriel High School strongly believe that all students benefit from regular attendance. To achieve this, we do all we can to encourage parents/carers to ensure that their son/daughter achieves maximum possible attendance and that any problems which prevent full attendance are identified quickly and acted upon promptly. It is only by attending school regularly that students are able to achieve their full potential.

Holidays

There is no legal entitlement to holidays during term time. The amendments make clear that **Headteachers may not grant any leave of absence** during term time unless there are exceptional circumstances. Please be advised that documentary evidence may be required in the event of such a request. We have always expected parents/carers to book their family holidays during the school holidays and we have always ensured that our dates are published in advance.

Changing Schools

A student will not be removed from the school roll until the following information has been received and investigated:

- The date the students will be leaving this school and starting the next.
- The address of the new school.
- The new home address if known.

The students' school records will then be sent on to the new school as soon as possible. In the event that school staff have not been given the above information, the family will be referred to the Education Welfare Service.

Good Attendance

The school will reward students with good attendance in line with the school's reward policy.

Non-Attendance

When a student does not attend school we will respond in the following manner:

- If the student has a record of poor attendance the school will contact the parent/carer at home or at work on the first day of absence.
- On the first day of absence if no note or telephone call has been received from the parent/carer the school will contact them.
- Learning Community teams will inform parents of persistent problems regarding punctuality.
- If absence persists, a referral will be made to the Education Welfare Service.
- Failure to comply with the expectation set by the Education Welfare Service may result in further action, e.g. Fixed Penalty Notices and court prosecution.

Please refer to DfE circular to parents/carers "Is Your Child Missing Out?", "Every day counts" and or information leaflets and letters sent by the school.

Fixed Penalty Notices:

Regular and punctual attendance at school is vital if students are to maximise their opportunities to achieve success across a broad range of activities. Securing such attendance outcomes is also a legal requirement and a responsibility that is placed upon parents.

The Fixed Penalty Notice Scheme for unsatisfactory school attendance is in use in West Sussex. A Fixed Penalty Notice is a fine given for 'unauthorised' absence from school. Only the Headteacher can authorise absence from school.

Absences which are not 'authorised' by the school are subject to consideration under the Fixed Penalty Notice Scheme. This Notice, issued by the West Sussex Education Welfare Service, requires the payment of a fine of £60 per parent per child. Each case will be looked at individually, initially within the school and then by the Local Authority (West Sussex).

When a student has reached a figure of 10 school sessions (i.e. 10 half-days) missed without 'authorisation' by the school, the parents concerned will be issued with a written warning requiring an immediate improvement in the child's attendance. Any further 'unauthorised' absence over the next 15 school days can lead to the FPN fine being levied.

For 'unauthorised' holidays in term time, no warning period is given since parents will be aware of the consequences.

Non-Payment of Fixed Penalty Notices:

Parents need to be aware that if the fine is not paid within 28 days, it goes up to £120 per parent per child. Non-payment within 42 days requires the Local Authority to commence prosecution in the Magistrates Courts for the original offence of poor school attendance. If proven, this could result in a fine of up to £1,000 per parent per child and/or a parenting order or a community service order.
