

ORIEL SIXTH FORM FUTURES NEWSLETTER

Autumn Issue

Thinking about what to do after school can be daunting which is why we have a tailored tutorial programme at Oriel to help you research your options and prepare your applications. Unifrog is a major part of this provision and we encourage you to make the most of this fantastic platform, along with the UCAS Hub.

WORLD OF WORK

If you are planning to go into the workplace after Oriel Sixth Form then here is what you should be doing this term:

- Make sure you know the difference between various apprenticeships available. Unifrog is a great place to start.
- Research possible pathways.
- Make contact with potential employers.
- Write your CV and cover letter
- Attend apprenticeship fairs and information evenings about the opportunities available.

UNIVERSITY

If you are planning to go university after Oriel Sixth Form then here is what you should be doing this term:

Year 12:

- Use all of the tools on Unifrog and the UCAS Hub to research different courses and universities
- Find out more about going to university by attending an Open Day or Taster Day.
- Complete Super-Curricular activities that will make you a strong candidate.

Year 13:

- Complete the final draft of your personal statement. Get a subject specialist to review it in Unifrog and act upon their advice.
- Check with your teachers what your UCAS Grade is and check them against the entry requirements of the courses you are interested in.
- Book a time to go through your UCAS form.
- Send off the UCAS form by the end of term.
