

01 April 2020

Dear Year 11 Student

Provisional Offer of a place at Oriel Sixth Form.

As you know we have had to suspend the Interview process for Sixth Form Applications.

I am however, pleased to be able to make you a provisional offer for a place in the Sixth Form.

As you are aware, your offer is dependent on you achieving the entrance criteria for the 6th form and for the subjects you have chosen. We will review this at the time of GCSE results publication in the summer. We know that these grades will no longer be based upon exams and we will consider the full picture in the Summer when we review our entrance criteria. We will also take into consideration everything we know about you, as a current student, alongside your results in decision making with you.

The final timetable for September will not be published until we have confirmed numbers for courses. **Please email Y12choices@oriel.w-sussex.sch.uk to confirm you wish to accept your provisional place (even if you are accepting more than one offer) and to confirm the subject choices you wish to study. The deadline for this is Friday 24th April.** Whilst changes may be made by you to your choices after this time we will base our timetable planning upon this information.

Please note that if you have opted to study BTEC programmes in Business; ICT or Health and Social Care we have changed exam board for these subjects from September and will be offering the Cambridge Technical qualification instead. You will find documents about these courses on our Prospectus page.

Please check out our **Frequently Asked Questions** document on the website if you are worried about anything to do with joining us.

With kind regards

Mrs Clair Denman
Head of Sixth Form
